

Running Cancer out of the Park 5k

Hello!

This is Bianca Papa. I am 16 years old and a Junior at William T. Dwyer High School. I am in the process of putting together the 2nd annual 5k called “**Running Cancer out of the Park**”. Last year was an AWESOME success and I was able to raise \$25,808 to donate to St. Jude! The race will be held at Jonathan Dickinson State Park on September 7, 2019. Again, all proceeds will go to benefit St. Jude Children’s Research Hospital.

This race and fundraising is in celebration of my brother, Beckett Papa. He was diagnosed with Acute Lymphoblastic Leukemia (ALL) in 2015 when he was 9 years old. With this diagnosis, our lives were forever changed. He relocated to Memphis to be treated at St. Jude’s for most of the first year of treatment. He was able to be home for the last 2 years with weekly treatment locally and monthly visits to Memphis. In February of 2018, at the age of 12, he finished his last round of chemotherapy and was declared CANCER FREE!!! Myself and my family are now on a mission to give back to the hospital that gave my brother a 2nd chance.

St. Jude’s is the #1 Pediatric Cancer Research Hospital. The discoveries they have made have completely changed how doctors treat children with cancer and other catastrophic illnesses. Since St. Jude was established, the overall survival rate for childhood cancers has risen from 20% to 80%. Families at St. Jude never receive a bill for treatment, housing or food. All they want the family to focus on is the health of their child.

I am currently looking for sponsors and welcome you to be a part of this 2nd annual event! Listed below are sponsorship opportunities.

Thank you for joining us in the fight to find a cure for childhood cancer!
